

Request for Project Change-

How does this process work?

BrisConnections and its contractor Thies John Holland are proposing a change to the construction of Airport Link at Wooloowin.

A Request for Project Change has been submitted to the Queensland Coordinator-General and the public is invited to comment from Wednesday 24 June 2009 to Friday 17 July 2009.

Consultation with residents, community interest groups, property owners and key stakeholders will contribute to the development of the Coordinator-General's Change Report.

Written submissions may be made to the Coordinator-General by 5pm, Friday 17 July 2009:

Email airportlink.manager@dip.qld.gov.au

Post Coordinator-General
c/- Project Manager: Airport Link Project
Significant Projects Coordination
Department of Infrastructure and Planning
PO Box 15009 City East Qld 4002

A copy of the Request for Project Change is available at the Visitor Information Centre- Lutwyche Centro, Nundah Library, Hamilton Library and Brisbane Square Library or www.citynorthinfrastructure.com.au.

A report on the submissions received will be prepared following the display of the Request for Project Change and, if approved, will inform the final concept design and environmental conditions.

The Coordinator-General will prepare the Change Report with regard to the written submissions and the Request for Project Change. The Change Report will be publicly available on Coordinator-General's website (www.dip.qld.gov.au).
